The Embros & Zorra Agricultural Society is looking for support for the 152nd Annual Embro Fall Fair.

The fair is still in the rough planning stages, but we are planning to bring back many popular items from the 2009 fair. We will also be adding new and exciting events for the 152nd fair. Please visit our website to see what is coming at www.embrofair.com. With the generous support of people like you, the fairboard is able to put on a successful fair year after year.

There are many different areas of the fair that you can support. Please indicate if you wish your donation to be allocated to a certain area:
